## **Two KMB Presidential Award Winners will be our Speakers**

🌷 **Speaker:** Vania Apps, McKinley Barrier Free Park, Fraser, MI.

The Fraser First Booster Club had a vision to create a barrier free park that was accessible to people of all ages and abilities. The park is a 15-acre complex that offers a combination of facilities and activities unlike any other in Michigan. This project shows what the grass roots efforts of volunteers can achieve.

🌷 **Speaker:** Nancy Doolittle-Lisabeth, Director of Sales and Marketing, St. Clair Inn in St. Clair, MI  
Originally built in 1926, the St. Clair Inn is an iconic Michigan landmark and was listed on the National Register of Historic Places in 1995. Following a downturn in the economy and several changes of ownership, the Inn shuttered in 2014. After being closed for 7 years, work began to renovate and expand the inn at a cost of \$40+ million. This privately funded venture has restored a gem to our State!
