

Bob's Corner:

What a crazy year thus far for Michigan in terms of weather. Mild winter followed by the early budding of spring flowers and ornamental trees. What is going on? Fruit growers are on pins and needles, leery of frost. Fingers crossed for them. But the rest of us are excited about the early spring!

Michigan Clean-Up Days

It is time to start thinking about getting involved with our annual ***Michigan Clean-Up Days (April 1-May 31)***. We are especially thrilled about the campaign this year in that we will be partnering with Keep America Beautiful and the Great American Clean-Up, taking part during the same 2-month time period. Is your group planning to participate in a clean-up, anti-litter, or beautification project this year? Let us know and we'll post it on our website for you. If you would like some "how-to" ideas, please contact us and we can give you a hand. In 2011 we posted over 200 projects and activities from all over the state. Please click on to the official proclamation signed by Governor Rick Snyder.

KMB Celebrates 50 Years of Serving Michigan

This year we at KMB are proud and excited to be celebrating our 50th Year Anniversary. Founded in 1962, KMB began as a small group created to encourage civic groups to get involved with outdoor beautification and anti-littering. Over the past five decades we have done that and a whole lot more. On Friday, May 18th, we will be hosting a 50th Anniversary Celebration, at the Haworth Conference Center in Holland. The event will be open to the public. So mark your calendars and plan to attend. Our official invitation/flyer can be printed off this website. Please fill it out and mail back to us by May 15th. Hope to see you there.

Please Contact Us

If you would like more information about KMB in general or a beautification/environmental project in particular, please contact us at your convenience. I or others on our Board of Directors are available to put on seminars or speak to groups. So, happy April and get out into those gardens and have some fun.....

Yours for a better Michigan!

Bob Eldridge
Executive Director
